Private wing is a Gold Eco-Rated Luxury Camp!

The Mara Bush Camp - “Private Wing”

The camp boasts of being in one of the best and most spectacular locations in the heart of the famous Maasai Mara Game Reserve. It is located on the banks of the seasonal Olare Orok River.

We are 07 minutes away from Ol Kiombo Airstrip. During the July to October Migration season the famous river crossings are only a short drive away from the camp.

For photographers, a separate lounge to charge camera equipment and laptops has been set up. The camp is fully solar powered, however we have a generator (well tucked away to ensure that there is no noise pollution) in case of power cuts.

12 luxury tents raised on stilts & wooden platforms

“Private Wing” offers the desired exclusivity for guests who are looking for maximum privacy.

All 08 River Guest Tents (2 are family tents) are designed with great attention to detail and are overlooking the river. The remaining 04 tents are set in the shady Croton Bush Forest, a bird lover's sanctuary.

The tents are designed to give you ample space, with an en-suite bathroom and a wooden, private Verandah / deck with lounge chairs, a writing desk, bathrobes & slippers. A fan and mini-bar are also available in each tent.

Join us in the Bar / Lounge where an array of classic cocktails and sundowners await you.

The Hippo Pool Bar

is one of the most relaxing places at the camp! Guests can enjoy a drink of their choice, as they "chill out" on the lounge chairs, over-looking the river with over 40 hippos wallowing & bathing, at any given time.

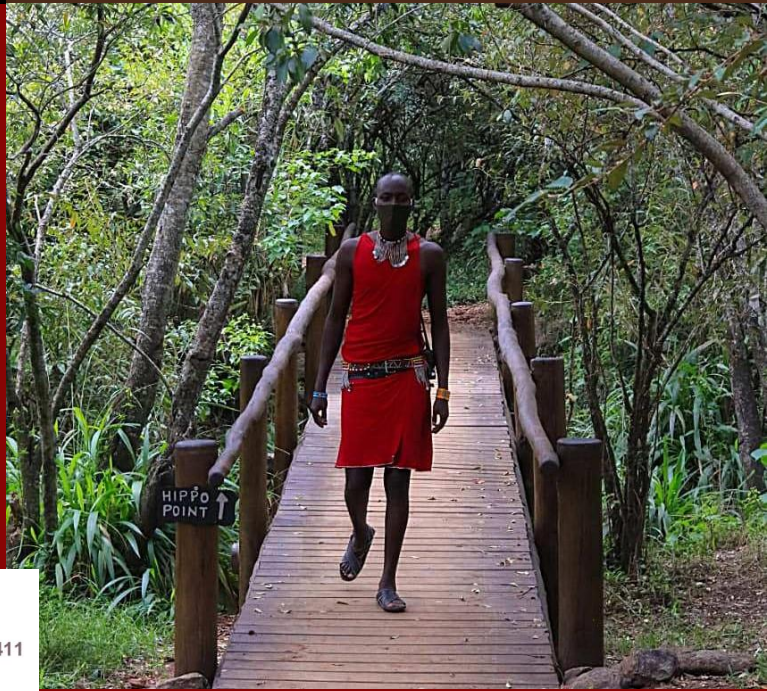

Our Chefs are eager to make sure your culinary experiences at the camp are unforgettable. The food is tastefully prepared, to cater for any dietary preference, always fresh and always creative. We offer full course meals that are served al-fresco, weather permitting. From bush meals, to a private dinner under the stars, each meal is prepared to perfection.

The camp offers beautiful walk ways with little bridges

Allow yourself to be fascinated by the sounds of nature as you enjoy a walk within the Vicinity of our camp and are always greeted by friendly smiles

A well thought out central fire place to remind you of 'The Out of Africa' atmosphere, the most appropriate place to unwind and enjoy a drink & nibbles, while listening to the safari stories of other guests before dinner.
